

of Many Sudden Deaths.

A disease prevailing in this city is dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

River News

The water is almost over the top of the ice piers.

The rivers are falling from Pittsburgh to New Orleans.

All floating craft in this vicinity is in pretty good shape.

People were crossing on the ice yesterday, a rather dangerous undertaking.

Workmen are now engaged in fitting up the United States Lighthouse Tender Oleander at Memphis.

The United States sandboat used in lock work on the Big Sandy river was destroyed by fire Saturday, entailing a loss of \$10,000.

The river is gorged from a point opposite Fort Thomas to South Ripley, not a bit of water can be seen. From South Ripley to this city it is clear.

The ice in the river at this point remains firm. It is gorged from Bensley's bar on this side on up as far as one can see. Below the gorge the river is clear of ice.

Yesterday's Enquirer stated that there were no gorges from Augusta to as far up as Martinsville, 40 miles above Pomeroy. Wonder what that is in the river in front of Maysville?

The mission boat Magdala has been sold to Chattanooga persons for \$14,000. It will be remodeled and run in the Chattanooga and Paducah trade, formerly operated by the steamer Avalon.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.
